IV. Additional Information Relevant to Approval of this Item

The Administration recommends approval of this Resolution.

This amendment to our current contract with the Corvel Corporation will provide two additional services that must be in place by June 30, 2009. They are: check writing on all OJI medical vendor bills and Medicare agent/ set aside services. The check writing services are necessary to replace the current services provided by the Finance Department. They can no longer provide this service in an economical manner because of a new financial operating system they are installing July 1, 2009. The Medicare services are required by CMS (Center for Medicare Services) that will require us to report and establish set asides for Medicare eligible employees who have OJIs. This contract expires June 30, 2010 and will be re-bid within the next 12 months.
